

## DISABILITY AWARENESS DAY LEGISLATIVE PANEL

**March 17, 2021  
5 p.m. to 6 p.m.  
via Zoom**

Vermont legislators (including Sen. Anthony Pollina, Rep. Anne Donahue and Rep. John Killacky) will share their personal experiences with disabilities as it relates to their legislative work and the legislative response to the COVID pandemic. We encourage attendees to bring questions as we hope this will be an interactive exchange! VCDR Past President Ed Paquin will moderate the panel. **(Note that Disability Awareness Day will be a series of virtual events this year. Information on our keynote speaker is coming soon so please stay tuned!)**
